GLEANER '82

The Annual Staff endeavors each year to catch precious moments which we all cherish.

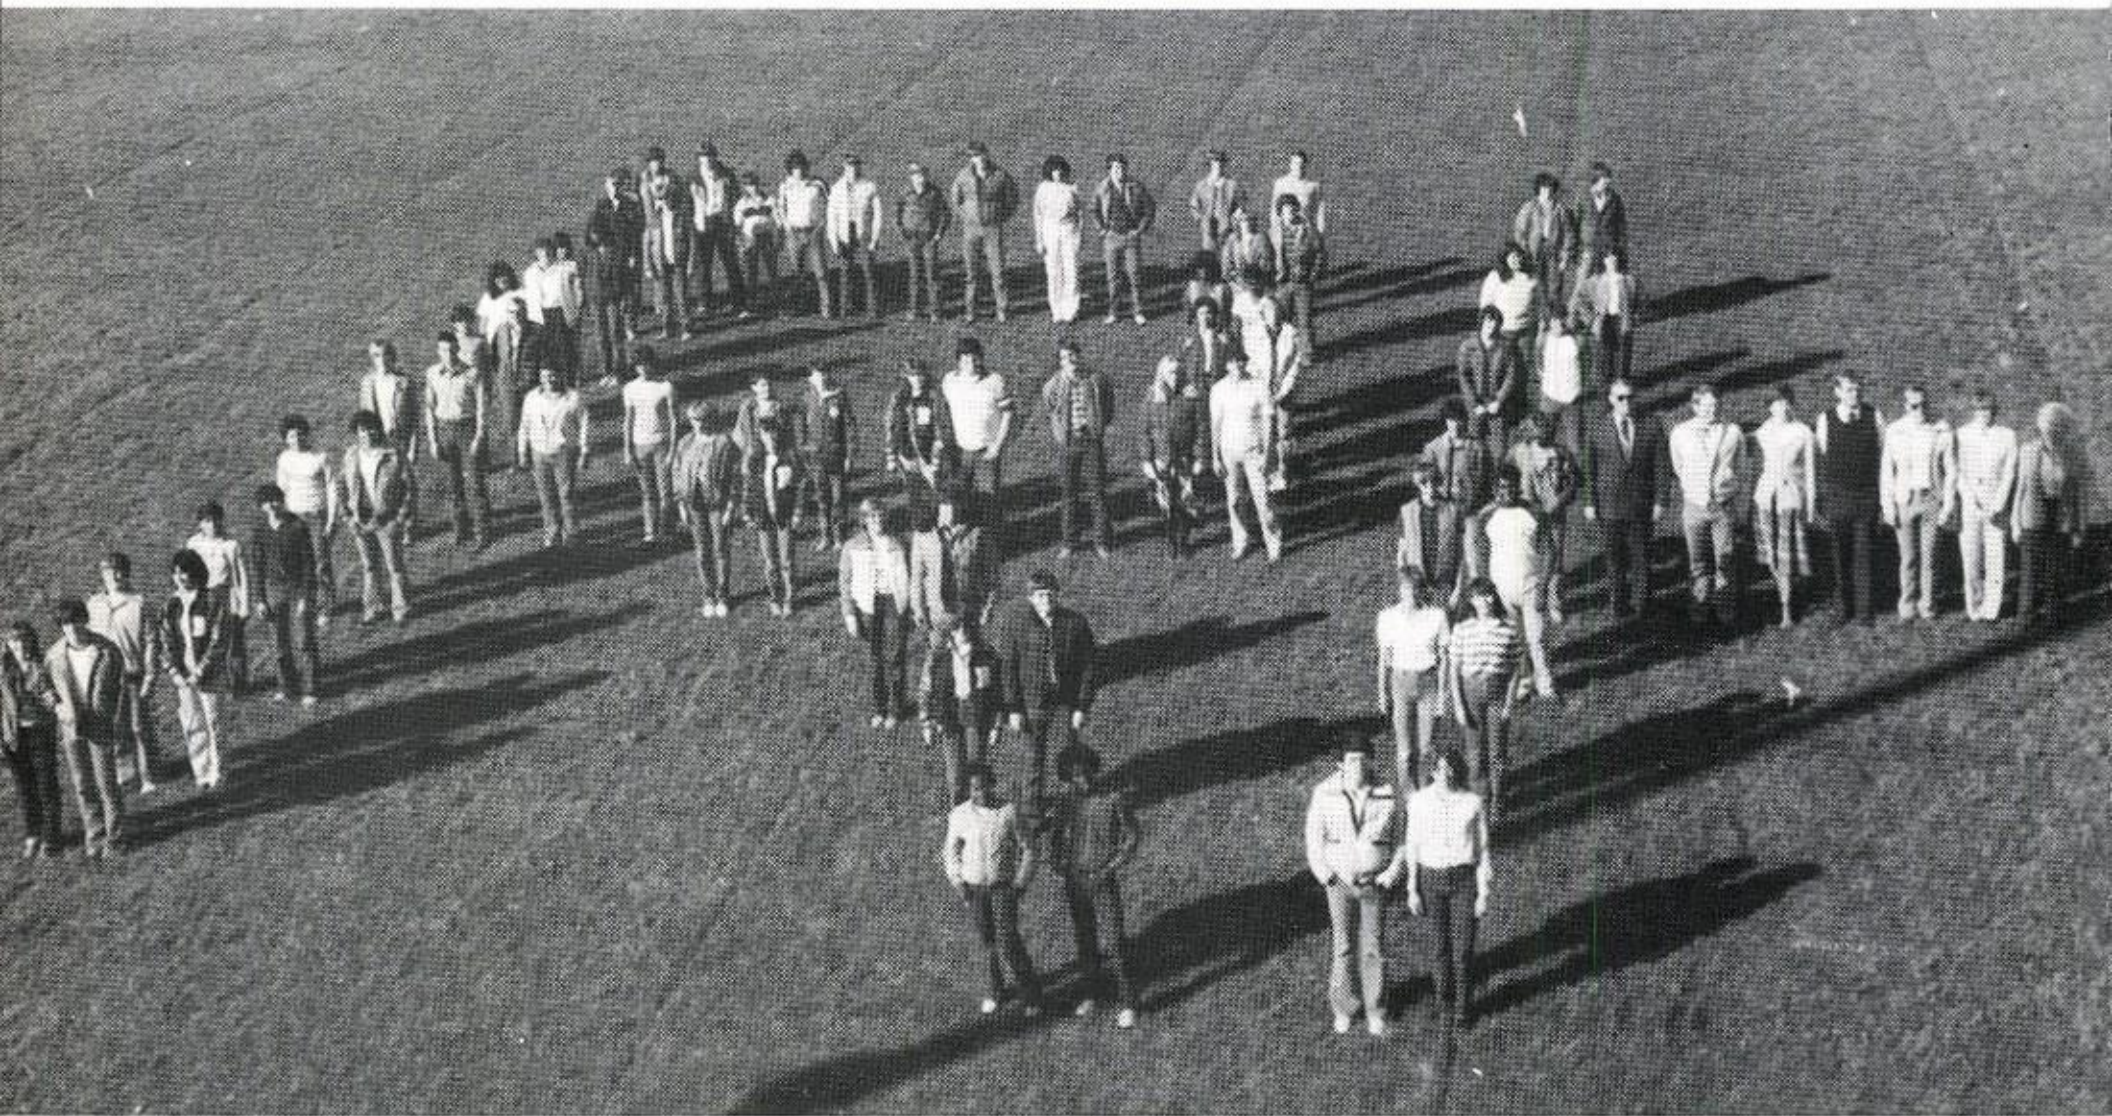

A big thanks goes to the staff, our sponsor, and the RHS student body for making this annual a success.

ADVERTISEMENTS

Look at what's happened
to me,

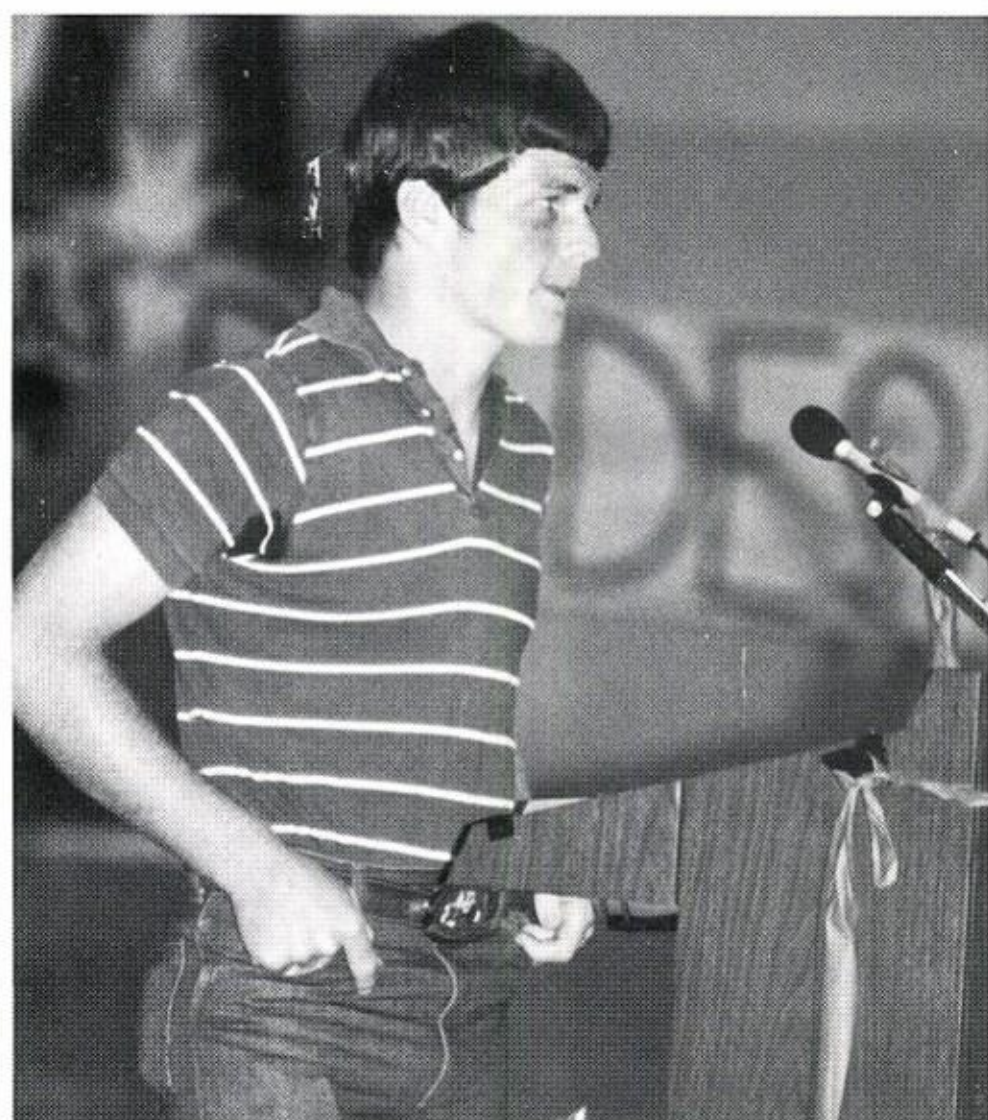

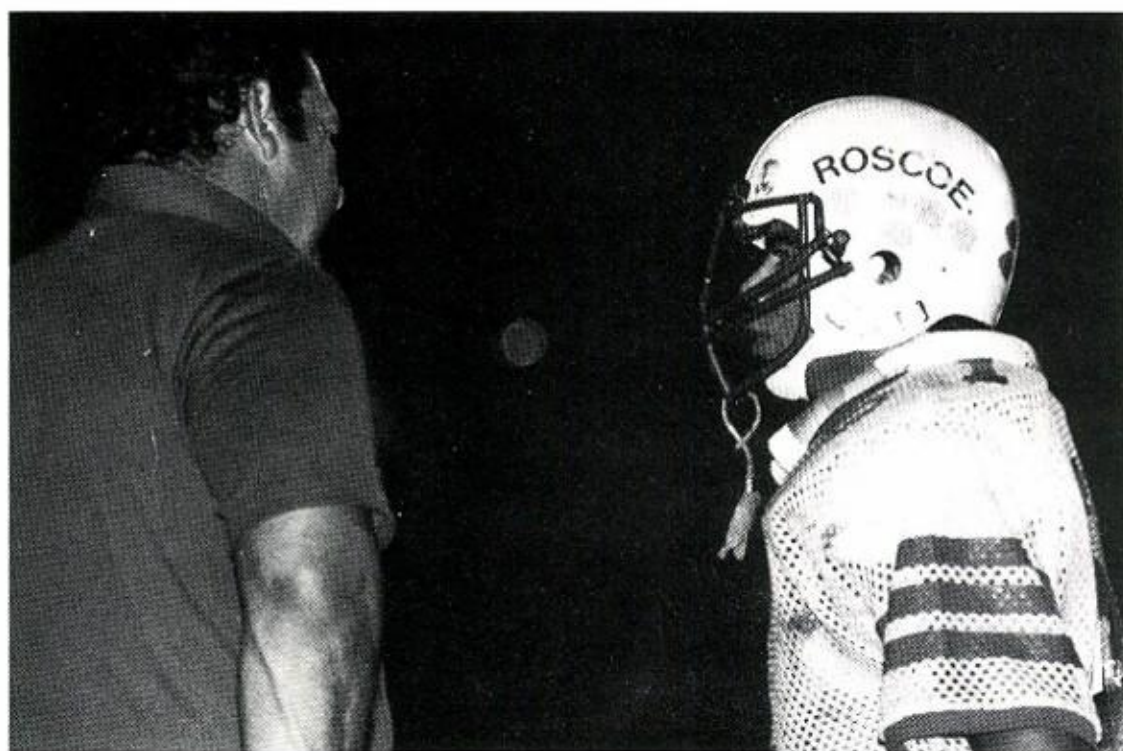

I can't believe it
myself,

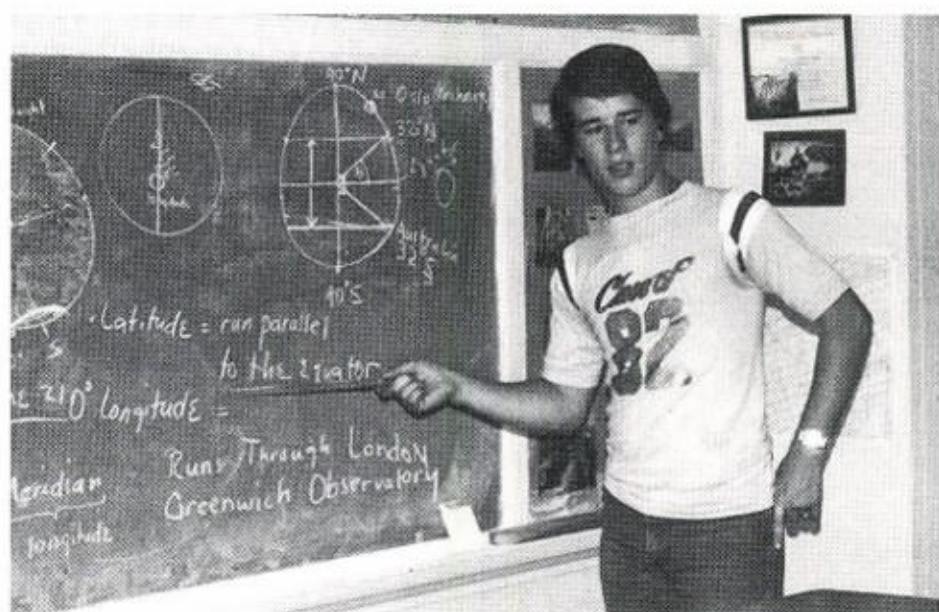

Suddenly I'm up on top
of the world.

It should have been
somebody else.

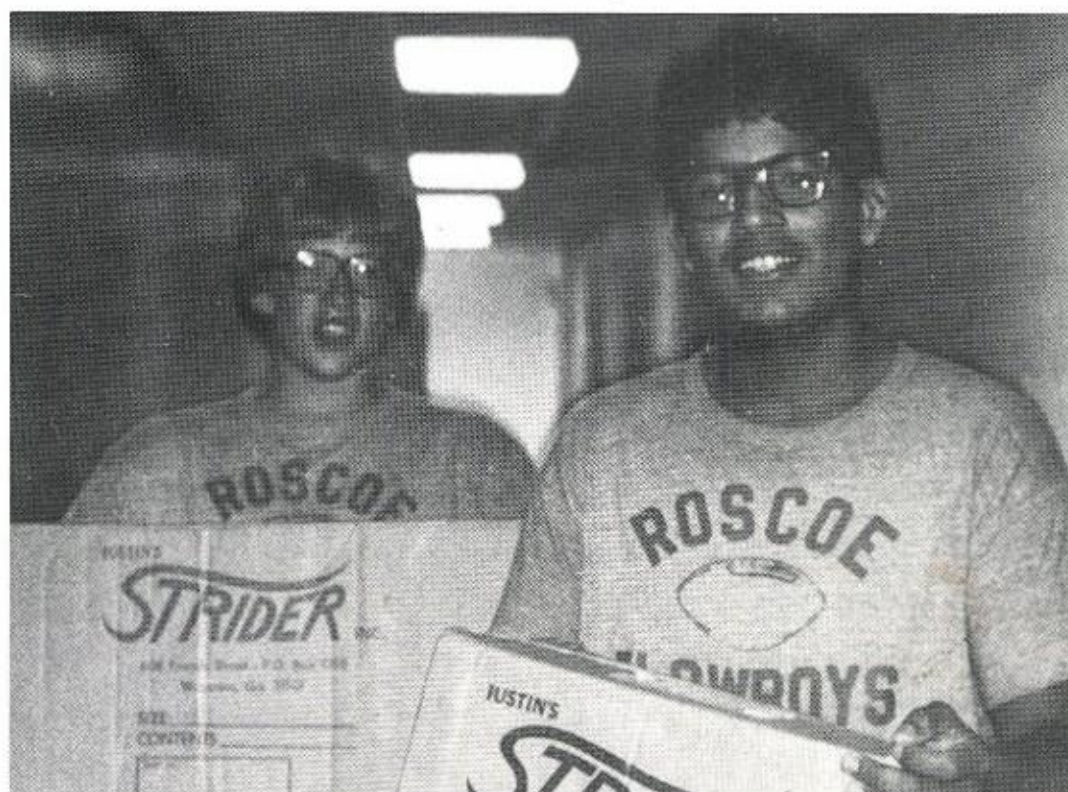

Believe it or not
I'm walking on
air.

I never thought
I could feel so
free.

Flying away
on a wing
and a
prayer.

Who could it be?

Believe it or not,
it's just me.

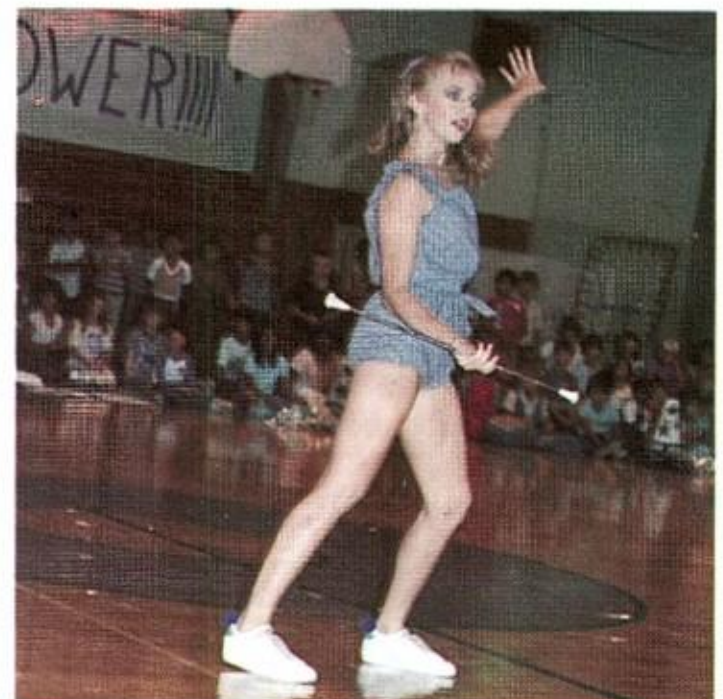

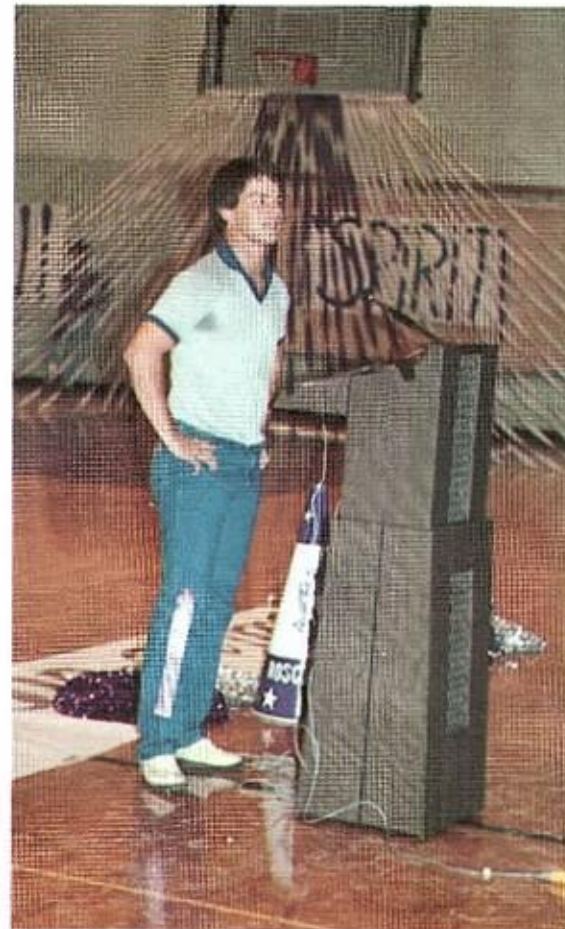

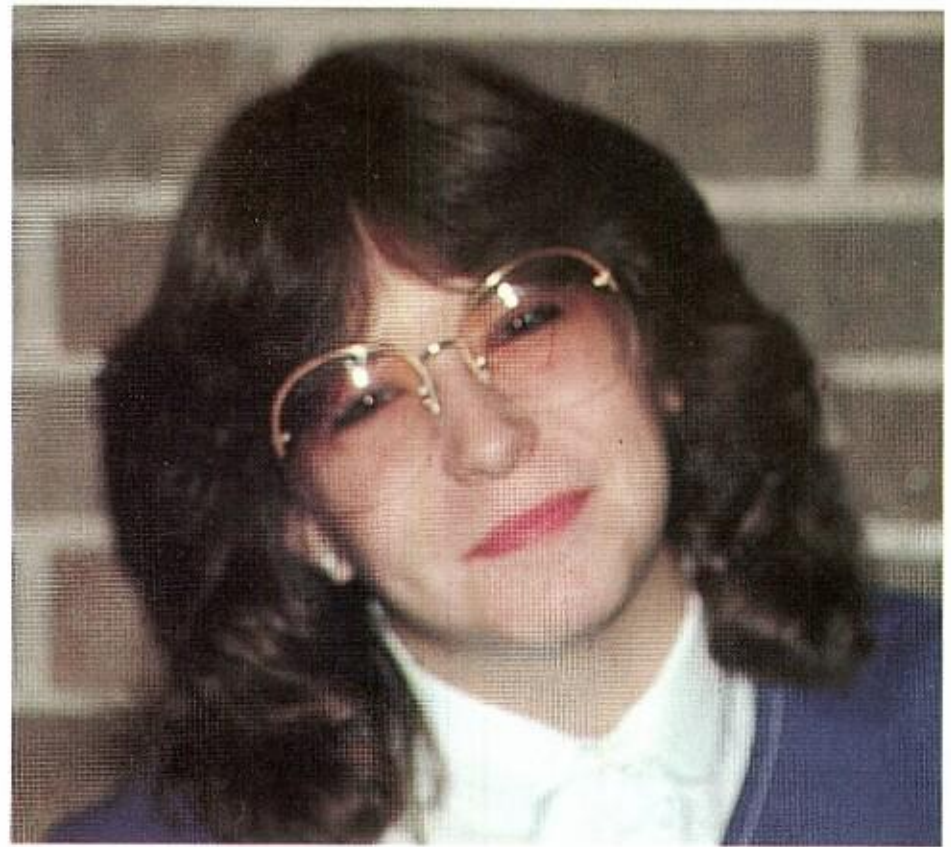

Just like a light
of a new day,

It hit me from out
of the blue.

Breaking me out
of the spell I
was in,

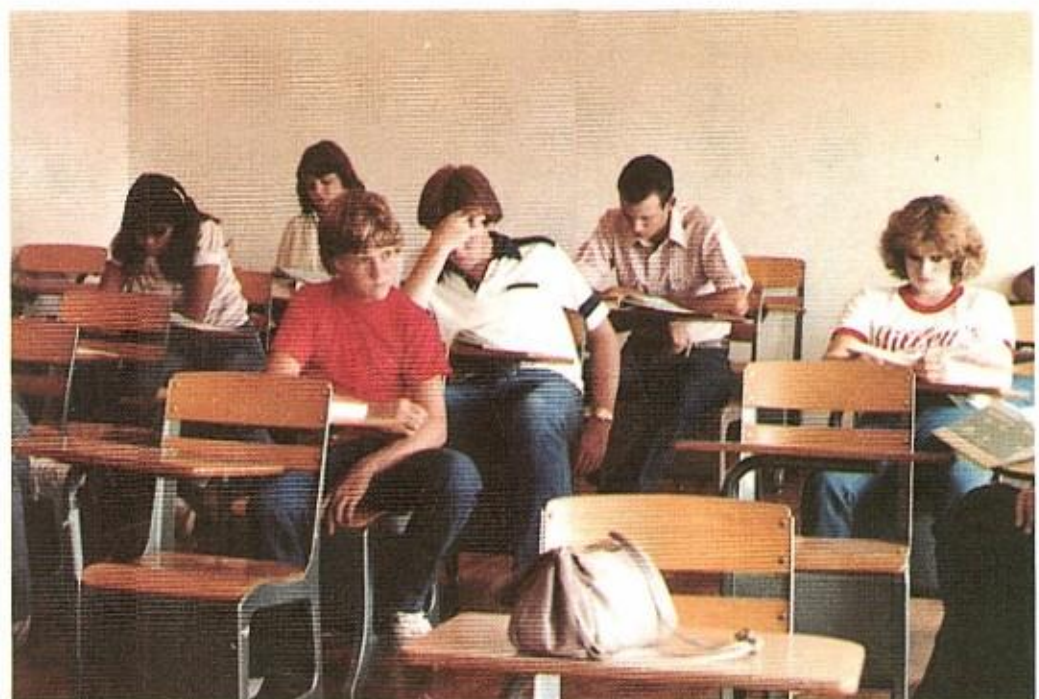

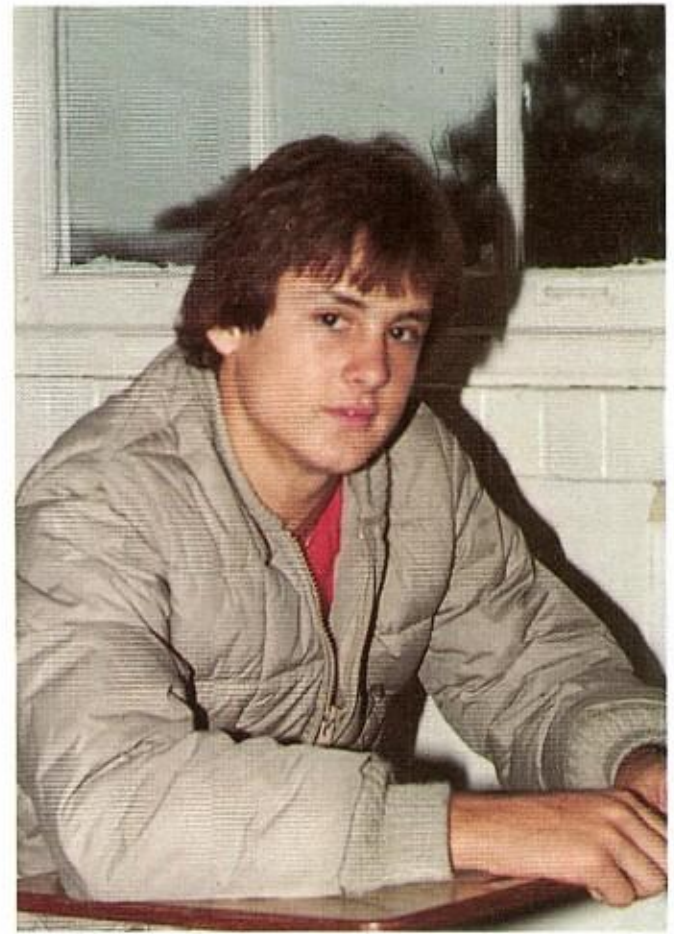

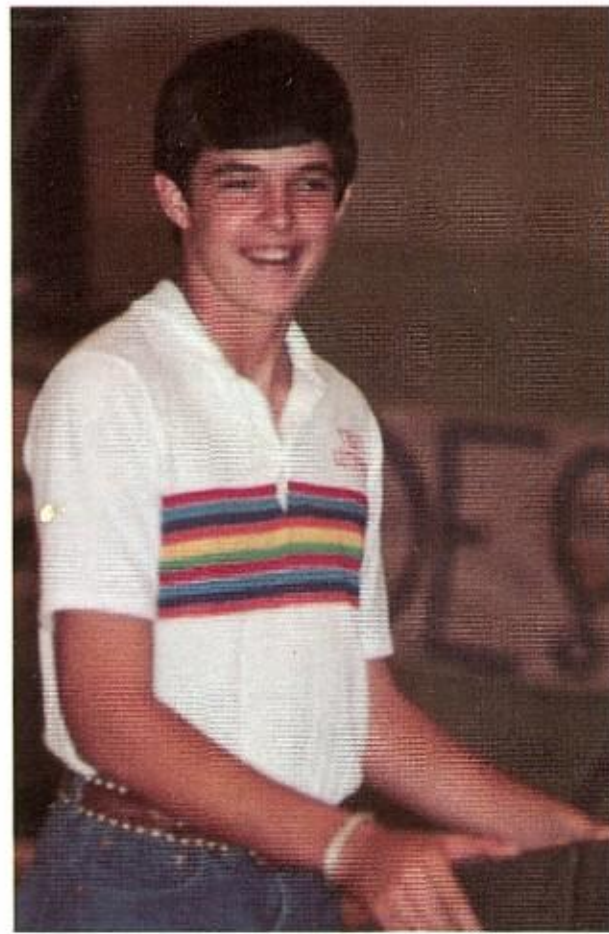

Making all of
my wishes come
true.

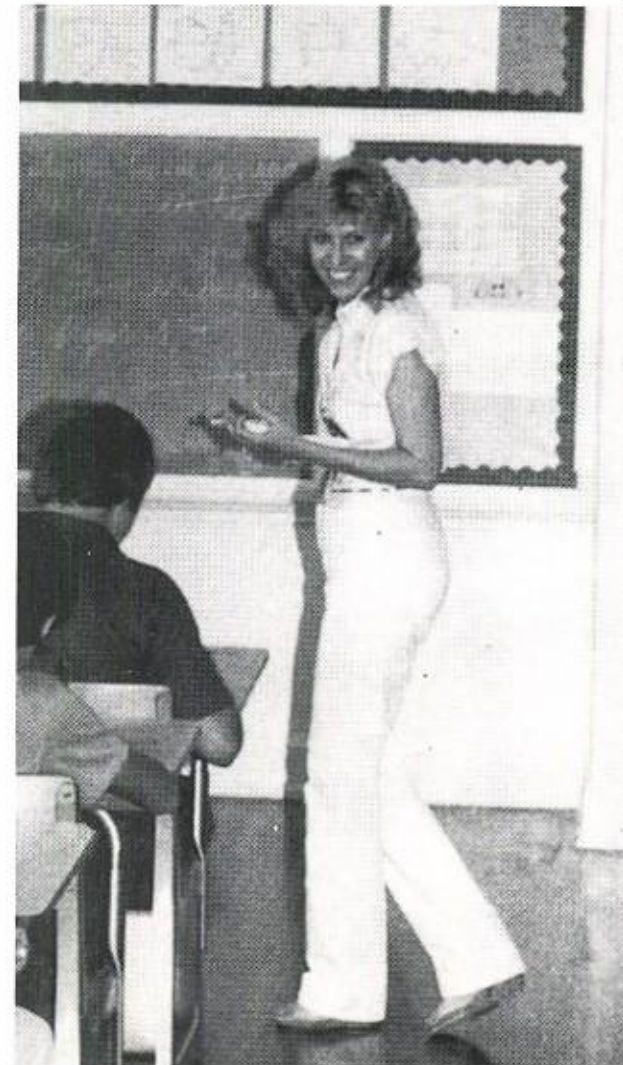

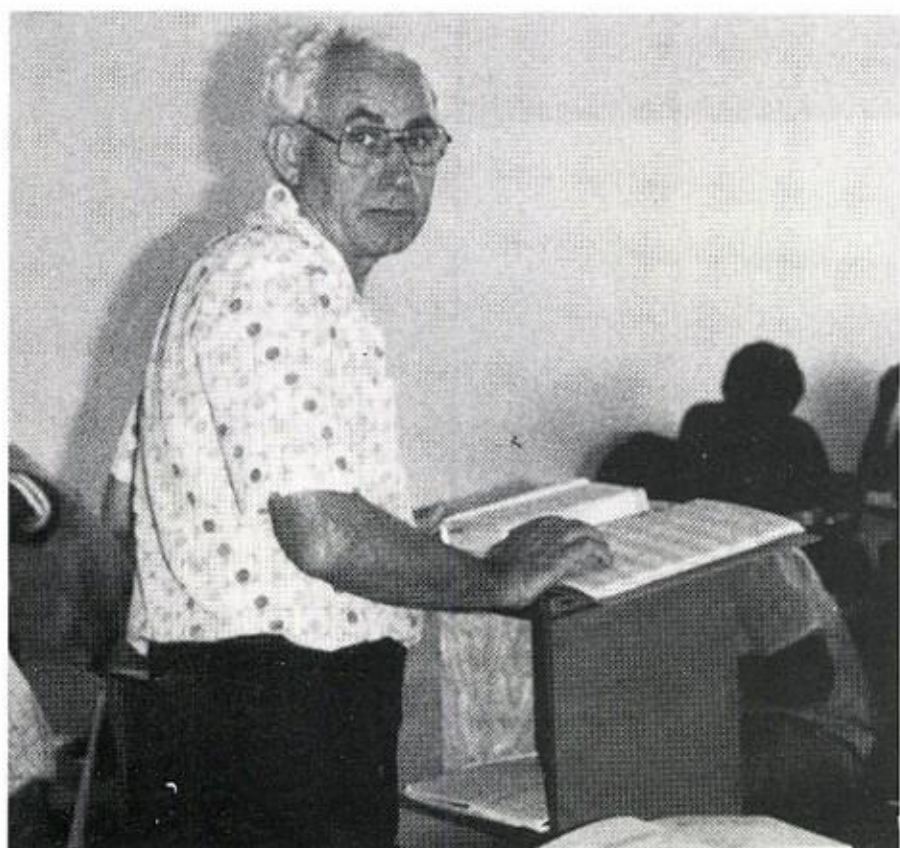

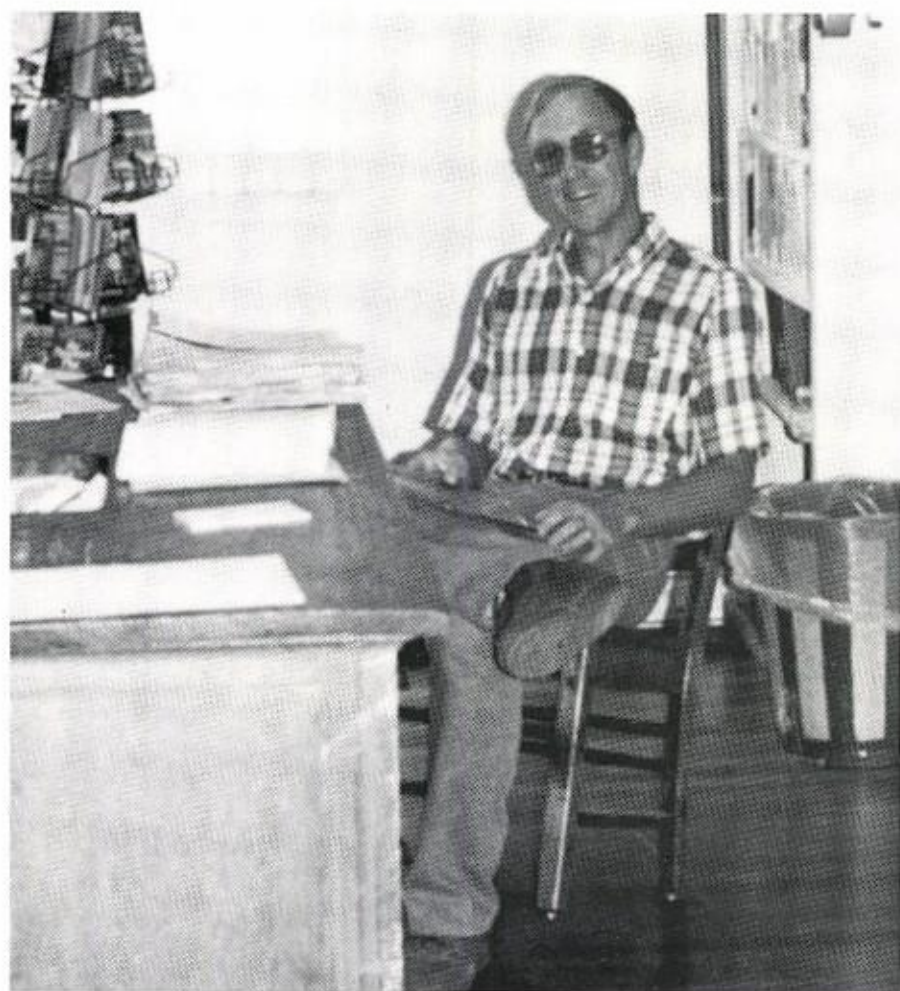

This is too
good to be
true.

Look at me,
look at you.

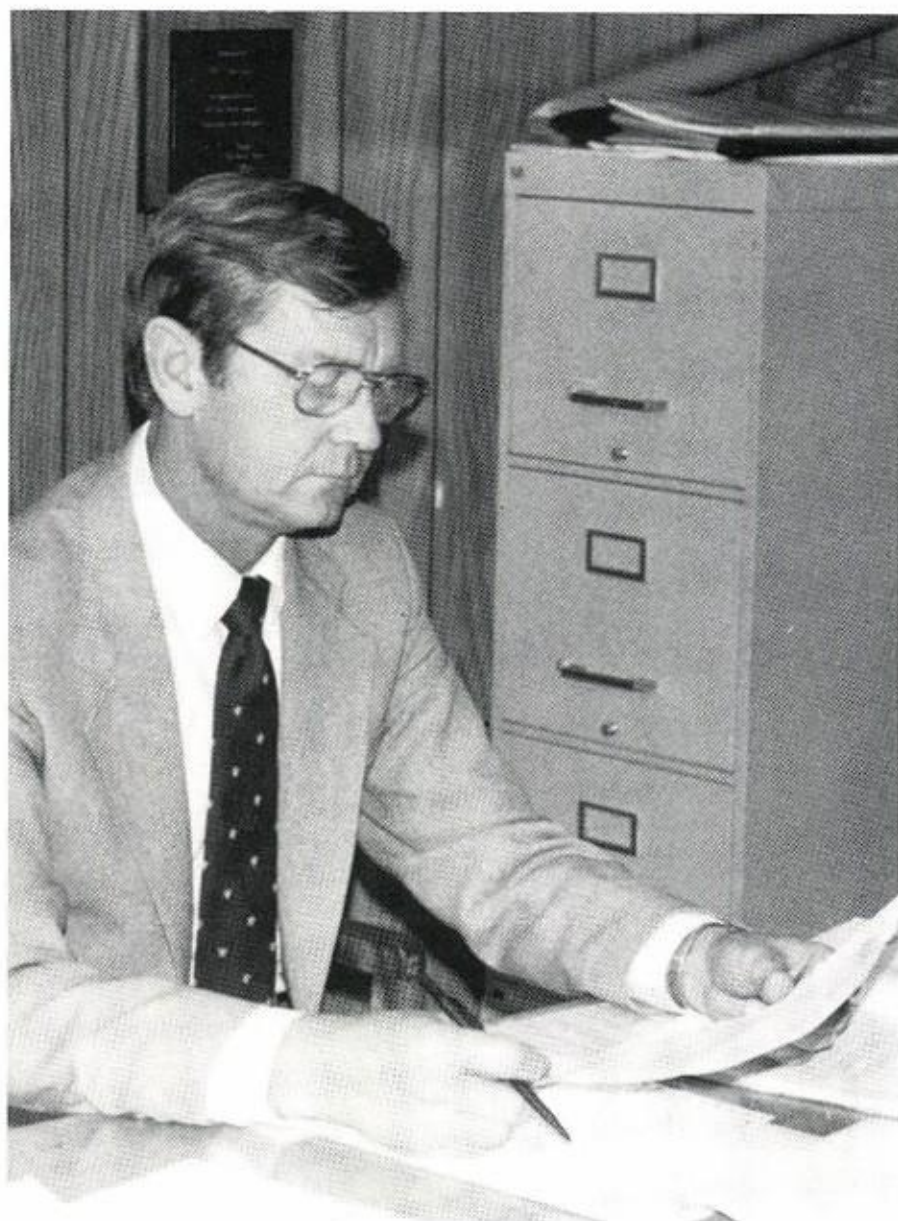

FACULTY

School Board — (Standing) Larry Williams; Letha Boston; Randy Whorton; John C. Braswell, Jr., Pres.; (Seated) Doyle Edmiston; Hank Brown; and Mark Davidson.

Dear Students:

"It was the best of times, it was the worst of times . . . it was the spring of hope, it was the winter of despair," wrote Charles Dickens about the world of two hundred years ago. Strangely enough, the same can be said about America in 1981. We have learned more than any other generation, but we need to know so much more.

School is the training ground where you acquire many of your needs. Make the most of this time. The world needs desperately for you to succeed.

Sincerely yours,

Bill Spurgin

Good friends aren't easy to come by, nor is there an endless supply of them. Yet often, we tend to take friendships for granted and expect them to survive. The best friends are those who keep growing, who keep learning and trying and doing new things, who still have the capacity to surprise you now and then by disclosing a new facet to their life, their interests, their personality. A friendship can grow when you are reasonably honest and open about what you think and feel. A good friend looks for the best in the other person, encourages the best, and expects the best.

As a friend, you have the right to expect reciprocity from those to whom you give. Chances are you will encourage your friends to do the same. If they don't, then you can let the friendship fade without feeling guilty.

Thank you for this year and your friendship.

Sincerely,
John McRae

PRINCIPALS

Congratulations to the seniors of Roscoe High School on the completion of your public school education. May you continue to study in order to meet the requirements necessary to live in our fast changing times, and to accomplish the goals that you have set for yourselves.

My best wishes go with you for a happy and prosperous life ahead.

Sincerely,

This is our last year at Roscoe. We have done our best for our community and Roscoe High in general. This year we have been known as the leaders of Roscoe High School and we hope we have lived up to that responsibility. We have shown our maturity and responsibility in many ways, such as planning our Junior High Basketball tournament. We hope to leave Roscoe with more respect than it has had before we entered Roscoe High School.

The 1981-82 Sophomore Class took part in many school activities. Among them was the Fall Fair. This was fun for the whole class.

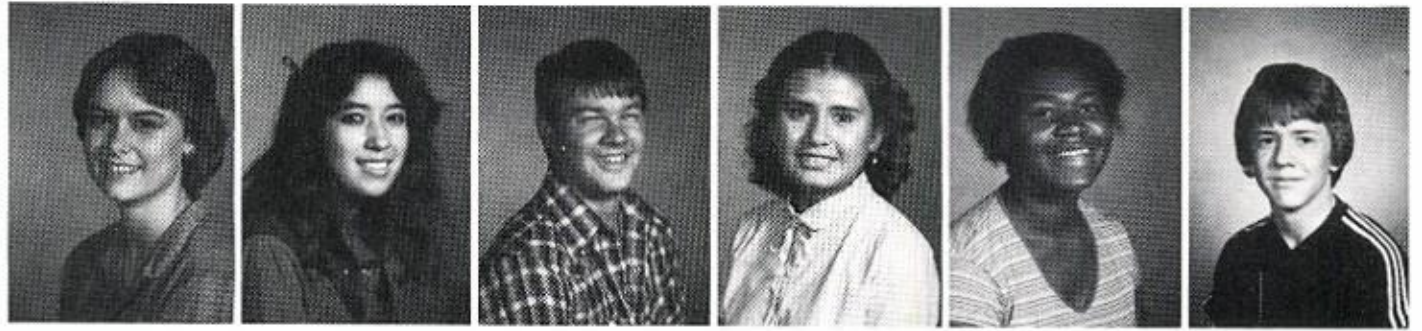

We also enjoyed making posters as a class and we were all excited when one of our posters was used at the District game. We also had a concession stand at one of our home games.

This year was a very exciting year for all of us.

The 1981-82 Roscoe Freshman Class has participated in many school activities this year. Among the money-making activities the class has had include a ring-toss booth at the Fall Fair and also a concession stand at the Roscoe-Loraine game.

Many of us participated in band activities this year,

such as the Sweetwater Parade and the U.I.L. Marching Contest where the band received a I. In sports, six boys were on the 1982 boy's basketball team and seven girls were on the 1982 girls basketball team. Also six Freshman boys were on the 1981-82 District 3-A Football Championship Team.

GIRLS' STATE

We would like to thank everyone who made it possible for us to attend Girls' State. It was a wonderful experience and we wish every girl in high school could have the opportunity to attend. Not only did we learn about the government, but we made many friendships and learned a feeling of pride for our country.

BOYS' STATE

Boys' State was an enlightening look at the way our government is run. We wish that every boy in Roscoe could go. It was a chance to meet new people and make some very good friends. Thanks to everyone who made it possible for us to attend Boys' State.

**We're getting ready
for your generation.**

In the years ahead you'll need more electricity than you're using right now because there's a lot to be done. Like new jobs, more efficient homemaking, health care and cleaning up the environment. Right now Texas Electric is building new lignite coal and nuclear-fueled power plants that will help make sure you have the electricity you're going to need.
